

Marine Biological Laboratory Grant Submission Procedure

1) All Proposal Summary Forms are due in the Office of Sponsored Programs 2 weeks prior to submission deadline. This includes:

- The Completed Proposal Summary Form – signed by PI & Center/Program Director
- Program Announcement
- Work Scope or Project Description
- Budget & Budget Justification

2) All final proposals are due in OSP 1 week prior to submission deadline.

Note: Proposals submitted later than above stated deadlines will be submitted as time allows.
